## A GOLF AND CULTURE TOUR TO NORTHERN CYPRUS

Welcome to join our Golf Host & Tour Leader Erik Samuelsson to Northern Cyprus and more specifically to Korineum Golf & Beach Resort. Here awaits a luxurious golf resort, a 5 star hotel with 18 beautiful golf holes that have The Mediterranean in the foreground. In addition to playing golf, we will also have two full-day excursions with cultural themes including guided tours visiting scenic Karpas peninsula, Salamis and Famagusta.

### KORINEUM GOLF & BEACH RESORT\*\*\*\*\*

Korineum Golf & Beach Resort in Northern Cyprus is a complete resort for golf lovers. Spacious and cosy rooms combined with tennis courts, a gym, a swimming pool and spa makes this a place to enjoy an active and healthy wellness vacation. Only 10 minutes from the hotel is moreover Korineum's private beach for those who prefer the Mediterranean Sea to the hotel's swimming pool.

### GOLF

Korineum's 18 hole course climbs the Kyrenia range with magnificent views of both the sea and the mountain range. The course is in great condition all year round. The first 9 holes climb upwards going through a hilly terrain while the other half is a little less precipitous. Korineum also has a 9 hole Academy course and excellent training facilities.
